

## INFORMATION IN ENGLISH FOR GUESTS

Fårösunds Boat Club welcomes you to Fårösund and to our marina regardless if you come by boat or motorhome. We hope you and your fellow travelers will enjoy your stay here in the port and that you stay a while and enjoy Fårösund and its surroundings - not least Fårö.

As you probably already seen the moorings are marked with green and red signs. The ones with green signs are free and can be used as a guest mooring and the ones with red signs are occupied even if there is no boat there. In the corner there's also some moorings that's not marked in color, they can also be used as guest moorings.

Please consider the following:

- You'll find toilettes and showers in the clubhouse, entrance at the far end of the house.
- Waste disposal:
  - The waste must be source sorted as far as possible.
  - In the rubbish bin there are containers for glass, metal, plastic packaging and paper packaging.
  - Food waste must and may only be thrown into the container intended for it. Compost bags are available in the Garbage shed. Bring one and put your food waste in it.
  - Combustible other waste must be disposed in the container intended for it.
  - Unfortunately we can't accept hazardous waste (oil, batteries, etc.). There's a recycling center that is open Monday, Wednesday and Sunday. Contact the port host for help.
  - Emptying the toilet tank can be done in Lanthamnen's emptying station.
- You'll find fresh water in the tap at the bend of the pier, you'll will also find a tap at the garbage shed.
- The hosts come every evening to collect the service fee, help you settle in and clean the toilettes and showers.
- Fårösunds community center is located about 1.5 km in the NW direction. ICA Supermarket is open every day between 07:00 and 22:00.
- One of Fårösunds sights are the Bunge Museum. Here you can, in a genuine environment see how people lived during the 16 -, 17 - and 18 - century. You can also see some handcraft there. The museum consists of about 100 buildings. There is also a café that serves lunch dishes. The museum is located beside the church. Distances about 3 km.
- Take a trip to Fårö. The ferry to the island is free. On Fårö you will find everything from wide, sandy beaches to beautiful Gotland Rauk fields. Fårö also has several cafés and restaurants. You can rent a bike at Broa.
- Current fees are posted at the garbage shed. The service fee includes showers. You pay to the port host. You can pay for several days at once. We accept cash or creditcard. Save your receipt.
- Unfortunately, bunkering is not currently done in any of Fårösund's ports. However, petrol and diesel can be bought at the INGO petrol station about 1,5km from the harbour.
